

MEMBERSHIP APPLICATION FORM

European Youth Energy Network

Thank you for your interest in joining the European Youth Energy Network, the organisation that aims to be the voice of all energy-focused youth organisations in Europe, enabling youth to lead the European energy transition.

This document is the official application that will allow you to start the membership process. Once validated and accepted by the EYEN Secretariat and Governing Board, your organisation will be considered a cCandidate Member at the expense of the next General Assembly, where the existing Members will approve the full membership.

Our Federation is ruled by the [European Youth Energy Network Statutes](#) (pending legal approval within July) and Internal Rules, that shall enter into force within the 1st General Assembly. The signature of this Application Form confirms you accept the Statutes.

Please make sure you complete all sections of this document, you sign it and send it together with the following documents to membership@youthenergy.eu:
