

Open positions – European Youth Energy Network

## Partnership Officer – crowdfunding (4h/week)

**Are you a passionate student or young professional, and want to contribute your skills and curiosity towards a strong youth voice in energy? Then the European Youth Energy Network (EYEN) is the right place for you to thrive.**

**Let's reshape youth engagement in the European energy transition together!**

EYEN is the Federation of energy-focused youth organisations in Europe, uniting organisations from across Europe and reshaping youth engagement towards a just, empowered and collaborative energy transition. We advocate for the meaningful engagement of young people in the energy transition, and we create spaces that allow them to have an impact. For the coming years, we have big plans on empowering, connecting, coordinating, educating and advocating where youth and energy meet. EYEN's flagship annual event: the **European Youth Energy Forum** with its 12 practical policy proposals.

To bring the partnerships of the international non-profit association to the next level, **we are building a strong team**. We promise that if you join us, you'll embark on a huge learning journey and meet like-minded people from across Europe and beyond.

**Will you contribute your community-activating skills to the European energy transition, in an ambitious federation?**

Open positions – European Youth Energy Network

## Partnership Officer - continued

### → Your role

- Actively engage in crowdfunding and evaluating potential strategies to increase collaborations
- Regularly assess the interests of the follower base and assign new marketing and financial means for funding
- Excite people to join us in our journey to make the energy transition more youth involved
- Communicate with the partnership and communications teams to optimise crowdfunding

### → You are a good fit for this role if you

- Speak and write fluently in English
- Can clearly transfer the excitement and activities of the organization to get the message across to stakeholders and public
- Have social media and marketing/finance experience
- Have consistently available time to execute crowdfunding tasks
- Are curious about the young energy community and are enthusiastic about being part of it
- Can work independently, yet also love teamwork

### → The experience is 100% worth it. This is why ▼

- You will work in a dynamic (and fun!) group of international young professionals and students, co-creating the development of an impactful organisation
- You will learn a lot about youth involvement in the energy sector and benefit from our network with contacts to a wide range of organisations and institutions
- You will be part of a project that can fulfil you as key player in the integration of youth in the energy transition

**Apply now by sending your motivation and CV until 5 February 2023 to [careers@youthenergy.eu](mailto:careers@youthenergy.eu), adding any proof of work would be desirable.**
