Open positions – European Youth Energy Network

Event Communication Team 6/8 h/week

European Youth Energy Forum 2026 - #EYEF2026

Are you a passionate student or young professional? Do you want to contribute your skills and curiosity to the role of youth in the European energy transition? Then the *European Youth Energy Network (EYEN)* is the right place for you to thrive.

The *European Youth Energy Network (EYEN)* is the think tank **placing youth at the heart of the European energy transition**. We believe in a future where the European youth is instrumental in shaping a just and sustainable energy transition.

EYEN is a **non-profit youth-led association** that brings together youth energy-focused organisations (our Members), young professionals and students active at European, national, and local levels. EYEN also collaborates with international organisations, European institutions and companies to **create solutions** for the energy sector.

→ Your team/project

The European Youth Energy Forum is the flagship event of **EYEN** that creates the space for **youth** to voice its opinion and connects them with **energy stakeholders** towards action. For its **5th consecutive edition**, we aim to gather 100 youth participants during a three-month online journey, culminating in a 5 day live event taking place in France in Q4 2026.

Full accommodation and partial travel expenses will be covered for the EYEF 2026 organising team by EYEN for the 5 day period of the event. French speaking youth and/or residents in France are especially encouraged to apply.

Website & Digital Presence

- Update and maintain **EYEF-related web pages**, including the EYEF website and EYEF sections on EYEN platforms;
- Ensure content accuracy, clarity, and visual consistency across **digital channels**.

→ You are a good fit for this role if you

- Are extremely organised and speak & write confidently in English;
- Have experience in writing texts for the wider public, and people keep telling you how your writing is super clear and engaging (then we want to read it, and youth and energy communities will want, too);
- Are excited to see how you can contribute to the energy transition through great texts, creative outreach campaigns & event communication;
- Can work independently, take initiative yet also love teamwork;
- Are available to participate in all days of the live event in Q4 2026.

→ The experience is 100% worth it. This is why ▾

- You will work in a dynamic (and fun!) team of international young professionals and students, co-creating the development of an impactful organisation;
- You will learn a lot about youth involvement in the energy sector and benefit from our network with contacts to a wide range of organisations and institutions;
- You will be part of a project that can fulfil you as a key player in the integration of youth into the energy transition.

→ Important note on recruitment

Recruitment for the Communication Team is coordinated at EYEN level.
Applicants are encouraged to apply to the EYEN Communication Team and clearly indicate their interest in contributing specifically to EYEF 2026.

Selected volunteers will then be delegated to the EYEF Event Communication Team, based on their skills, availability, and interests.

Apply now by sending your motivation and CV to careers@youthenergy.eu.
Applications are processed on a rolling basis, proof of work is very welcome.
We want to get to know you, so please don't stress about formalities and tell us what's been nudging you to join the youth + energy space.
