Open positions – European Youth Energy Network

Graphic Designer

4-6 h/week

Communication Team

Find the job description on the next page.

Are you a passionate student or young professional? Do you want to contribute your skills and curiosity to the role of youth in the European energy transition? Then the *European Youth Energy Network (EYEN)* is the right place for you to thrive.

The *European Youth Energy Network (EYEN)* is the think tank **placing youth at the heart of the European energy transition**. We believe in a future where the European youth is instrumental in shaping a just and sustainable energy transition.

EYEN is a **non-profit youth-led association** that brings together youth energy-focused organisations (our Members), young professionals and students active at European, national, and local levels. EYEN also collaborates with international organisations, European institutions and companies to **create solutions** for the energy sector.

Are you ready to join our team of like-minded volunteers based all across Europe and to be part of this *learning + action* story?
